

Blizzard Causes Damage In Bassano and District

The old saying about March coming in like a lamb and going out like a lion has been proved true once more. This month came. The proverbial lamb and continued fair and mild almost the entire month. As each week of March day was followed by another just as mild and the expected snow storm failed to make its appearance, news of a cold snap gradually abated and prospects of an early spring started going the rounds. Then came the 28th of March. A wind sprang up in the south, but it was a warm wind and with April so near at hand, no one expected that the Weather Man would start doing hand-springs and somersaults at such a late date. But there is that old saying about March weather, and the Weather Man apparently takes his responsibilities seriously. About 4 o'clock in the afternoon his grimace showed the wind to the north and he set the lion free. The wind grew colder and more violent and by 6 o'clock it was driving the fine snow in fury before it, and all that night howls and whistles, chimneys tottered and windows rattled in terror. By the morning of the 29th (Tuesday) the snow had been driven so hard that vision was limited to a few feet and drifts piled up higher than any ever threatened. By the afternoon of the 30th (Wednesday) the lion roared as if infuriated that people had begun to think that he would fail to make his annual March appearance. At the time of writing (Wednesday), he had quieted down once more, as if content with his display of strength.

A survey of the damage is fairly impressive. About half of the town of Bassano's Bake Shop was lifted off and blown against the Edwards' house next door. The chimney of Roy Smith's house was scattered across the lawn: all four fences around the Tennis Courts were fastened to the ground; a portion of the fence on main street was blown down; several chimneys caught fire; and Geo. Hengler narrowly escaped a fire in his house on Tuesday night. Quite a number of people had to unlimber their shovels and dig their way out of their homes after the snow stopped drifting. W. J. Redmond is the proud possessor of the record drift in town—a ten foot one that he shoveled over his whole back yard. Even business was somewhat disrupted on Tuesday. Jimmie Johnston and Paul "Ocker" had to pry away at their doors with screwdrivers every time they had to open them, and Andrew McKee had a sign on his door saying: "Use Side Door, Please."

However, even the worst experience have their redeeming features. Inasmuch as the weather is the greatest single topic of conversation, "we should" (now that it is all over) be grateful for such a splendid storm. Think of the years to come, when we'll be able to say: "Remember back in '28 long about the end of March, when we had that 'hundering' of a blizzard?" and then go on to remind each other how the wind blew at the rate of 100 miles per hour, and the drifts were 20 feet deep and the bakery was practically blown down, and so on. What a wonderful topic of conversation it will make.

Banff School of Fine Arts to be Conducted

The Summer School of the Fine Arts is again to be held in Banff, August 1st - 27th. This will be the sixth consecutive session of the school. As in previous years, courses will be given in Music, Drama and Art under the guidance of distinguished instructors. Those who are interested in improving their acquaintance with the Fine Arts, as well as those who are practical devotees and desire to study the technique and peculiar problems of their subject, will find that the school offers them unparalleled opportunities.

This year the intention is to make the work in Dramatics more intensive. By lessening the number of lectures that the students attend, it is hoped

Rosemary

Mr. John Stahel from Australia, left Tuesday after visiting the Stahel family here for a week.

Dave McClelland and family and the Andersons left Tuesday for their new homes in the north. Chester Edwards left with one of their freight cars.

A number of Mormons from the Raymond district have been looking for farms.

The Hotel Dockey held a program and dance Friday night. A quilt was raffied off, the winner being D. Downes of Bassano.

Mr. Vance and family from the Raymond district, moved into their new home here last week.

Mrs. Carl Nisbet left for Cardston last Wednesday. She intends being away two weeks.

Mr. and Mrs. J. McFalls were host and hostess to nearly forty guests Thursday night on the occasion of Mr. and Mrs. F. A. Gellings of Rosemary.

Birthday Celebration

Last Saturday evening the home of Mr. and Mrs. H. T. Johnson was the scene of festivities when a number of friends gathered to celebrate the birthday of Mr. H. T. (High Tension) Johnson. As usual, the Recorder-Reporter was on the job but he found great difficulty in getting any of the details of the party. He didn't even learn what birthday was being celebrated, but by the reportorial skill he managed to get a copy of the following news which may or may not shed a light on the vexed question of the real age of "My Harold."

Oh my Harold, Oh my Harold, We're so happy to be here, To help celebrate this night Of all the glad New Year.

Since Mary wrote a poem for Don, And one for Kenny too, On both their birthdays, we do think It should be yours too.

We hear you are not very old To young for Gin or Rum We'll have to drink it up ourselves So we can make things more hum!

To had you're only just thirteen When life begins at forty, We hate to think what you will miss 'Cause you are the right "sorty"!

We'd make a guess you're twenty-one You are so grand and tosy, But what you do with all your time We think is rather "phoney"!

We really aren't suspicious—quite, But know—when in your glory Ben old King Solomon might say: Can't tell a better story.

So here's to you and happy days, With joy we welcome you We know we'll have a jolly time And hope you will too.

If when the night is over For a drink you're still a "teen" You can say—"It's a brew brecht moonlight night!"

Then fill us up—"Ye Ken!" With apologies to Mary Livingston and Jack Benny.

that they will derive a more thorough and helpful knowledge of those branches in which they specialise. All sides of educational activity will be presented, however, including the important matter of playwriting, which will again be under the supervision of the renowned Dr. Koch. Those who attend the Summer School will be able to obtain certificates to attest to the work which they have covered and further them, perhaps, in the pursuit of that work commercially.

April 1st Dance Climax to Successful Season

The Bassano Hockey Club thanks everyone in the town and district to gather at the Masonic Hall, Bassano, on Friday 1st to cheer with them in an evening of enjoyable entertainment. Cards, dancing and a dainty lunch is included in the evening entertainment, all for a small admission.

Feature of the evening entertainment will be the Draw for the Cedar Chest now on display in Miles Drive store window. The Whist Drive will begin at 8:30 p.m. sharp and will be in progress until 10:30 p.m. when Jack Bremner and his orchestra will "shred up the band" and will continue for four and a half hours to "pour forth" all the latest dance hits.

This will be the final hockey entertainment for the season and also the last chance to draw the Bassano of 1934-35 the support they so urgently need. Your patronage will be greatly appreciated.

Crowfoot-Makepeace

This is real March weather with snow, wind and weeds blowing in every direction. The fields are bare and the sloughs full of water.

The Government Seed man will be in the district Tuesday to receive requisitions for seed.

Many of the farmers have reported the loss of quite a number of head of both cattle and horses.

Miss Helen Adams and Miss Clara Jane Gilson of Duchesne were visitors at the Hoffebower home over the weekend. Miss Edith Smith, Mable Joe Robb, over made a trip into were callers on Sunday as well as Mr. and Mrs. Harry Maaser from Bassano.

Mr. Joe Robb made a trip into town Monday and report that the Hassar road is in fair condition.

Mr. Veri Campbell made a business trip into town Friday.

Mr. Gordon Walney (Barney) has been doing considerable visiting in the Makepeace community this winter so is rumored, just why Barney was a runner, just why Barney was a runner.

(continued on back page)

Who Will Win The Hope Chest?

The draw for the cedar chest and contents being raffied off by the Bassano Hockey Club, will take place at the dance tomorrow night. If you haven't a ticket you have just approximately 24 hours left in which to purchase one.

The genuine red cedar chest is fitted to offer flowing and contributions are still being made. What a lovely gift some lucky person will receive tomorrow night, Friday April 1st.

A few of the persons who contribute this week are: Mrs. J. Clark Macdonald, Mrs. A. G. Scott, Mrs. J. Shape, Miss O. Wyckoff, Mrs. Marlowe Shirley Holmes, Miss T. Marlowe, Miss Mary Love, Miss Boness Johnson, Mrs. J. Fraser, Mrs. O. Morrison, Miss Margaret Harper, Mrs. N. Garry, A. Cadon, Countess, Miss Betty Johnston, Mrs. Joe Bush (it was requested that this name be used) Miss Jean Lees, Mr. D. Cuthro, Mr. J. Sumner Hall and Laurence, others whom the writer will give mention next week, when the final list of donations will be made public along with the name of the lucky person.

To all the persons mentioned above the Hockey Club wish to express their sincere thanks for your donations. Don't forget—tomorrow is the day! Leave your place—Hockey Club! Dance the occasion—and the time of the draw—11 o'clock mid-night.

New Alberta License Plates Are Issued Monday, March 28

Crimson on White New Color Scheme—New Medical Plates This Year. New Alberta motor license plates for 1935 are to go on sale Monday, March 28, according to E. Trowbridge, deputy provincial secretary.

The new plates reveal a criticism on white color scheme, regarded as one of the most striking designs ever shown in the province.

As in former years, the license for Edmonton will run from 1 to 5000. Calgary numbers will range from 5001 to 18,000, the area to include 72 special "medical" plates, issued for the first time this year. Will be numbered from 201 to 250. Distribution will be made various centres, the Calgary numbers ranging from 701 to 850. Bulk of the remaining numbers will be issued from Edmonton.

Tennis Club Prepares For Very Active Season

Gem Notes

Congratulations are extended to Miss Jean McCleary Finmer and John D. Granger upon their recent engagement.

C. W. Archibald went to the Bassano Hospital last Friday. Her friends of Gem extend their deepest regret and hope for the rapid recovery.

Taylor Wallace is in the Holy Cross Hospital in Calgary. Where he is recovering from injuries caused by the explosion that took place in the Gem High School laboratory recently.

Don't forget the dance to be put on by the Catholic Ladies of Gem April 22.

School was closed in Gem on Tuesday and Wednesday because of the fierce blizzard that struck here.

The wind began to blow Monday afternoon and continued, bringing snow on Tuesday morning, until Wednesday afternoon.

Thus it was impossible for the mail truck to go to Bassano on Wednesday.

We are sorry to hear that Mrs. J. F. Roger was on the sick list last week. Don't forget the auction sale that is to be held at the farm of Mr. C. Waltemath on April 1. There's to be a dance in the school house the same evening. Everyone welcome.

Scout Notes

The regular Scout meeting took place at the School last Thursday evening. After a short address by Mr. McLaw, the scouts were given Physical Training and Rifle Drill in the basement. About nine scouts they separated into rooms to study signalling and first aid.

The scout corp has entered into a Rifle Shoot, for rural schools. The Corp has been given 400 rounds of ammunition and targets, and will start practicing as soon as weather permits. The five best shots will be chosen to represent the Corp in the Competition which must be completed during April.

If weather conditions had remained good, work would have started on the courts this week-end, but it will be postponed for an indefinite period now.

The meeting has been called off and will take place in the office of W. McLaw on Monday at 8 p.m. Please be there as important matters must be discussed.

A meeting of the Bassano Tennis Club will be held in the office of W. McLaw on Monday, April 4, at 8 p.m. Everyone is invited to come and join in the sport. If all persons to play who have given that estimation the Club membership should be larger than for a number of years.

The Tennis Club is in good financial condition, at the present, there is a bank balance, with all bills paid, and with \$3 still to be collected. The courts are in very little need to be put in shape, a load of sand will be purchased immediately so that work can be started in the coming week.

Just make a friendly visit to the Tennis Courts about the end of next week and we will give you a little reward, this also applies to the older members, we hope to see you there.

It will be necessary this year to purchase a new set of tapes probably two. Many of last year's members were injured by the tapes and the rubber tapes used at the Carbon courts, these cost \$15.00 per set and will last for years, it would be a great advantage if the club could see its way clear to purchase two sets.

A new net or two will also have to be put up. The calls have now also not on hand and Mr. McLaw expects to be able to get some more of the fish netting, which when made over makes perfect net for a very low cost. This is what the club has used for the last two or three years and has found very satisfactory.

Last year the club gave featured the tennis season. Carlton, Strathmore, Gleichen and Brooks made trips to the Bassano courts and much enjoyed the game and the results. In all probability inter-town games will again be arranged this year, this along with local tournaments should provide a very interesting season.

All you racket wielders don't forget the Tennis Club. Monday, April 4, at the office of W. McLaw, and we will start the 1935 Tennis season off with a bang.

Since the above was written, the Tennis Club has been considerably changed. The blizzard last Tuesday played havoc with the fence; the entire north side is down and the south fence is also in bad shape. A conservative estimate of the damage would be twenty dollars.

This will probably call for an increased fee this spring for what repairs are made the bank balance will be practically nil.

If weather conditions had remained good, work would have started on the courts this week-end, but it will be postponed for an indefinite period now.

The meeting has been called off and will take place in the office of W. McLaw on Monday at 8 p.m. Please be there as important matters must be discussed.

SOCIAL CREDIT MEETING April 7

A meeting of the Old United Social Credit Group will be held on Thursday, April 7th, in the I.O.O.F. Hall. This meeting is being called to discuss business that has come up since the last meeting. Business regarding financial conditions, letters that have been received by the secretary from the Legislature, and also letters that are to be sent to the Capital. As yet, there will be no outside speaker to address the members, therefore the President Mr. Bulger will conduct the meeting. All members are requested to be there on time in order to get the business meeting started on time.

Don't Forget The Dates

April 1st—Bassano Hockey Dance, Masonic Hall, Bassano.
April 1st—Hope Chest raffle, Hockey Club.
April 2nd—Anglo-W. A. Mid-Land Ten and sale of home made candy in I.O.O.F. Hall. Also guessing the weight of an Easter Fruit cake.
April 19th—Women's Institute Dance.

Canadian Winter Eggs Please British Housewives

A new branch of Canadian commerce has been established in the shipping of winter-produced eggs to Great Britain. A move officially inaugurated January 15, the Canadian Pacific freighter Beaverbrook sailed from Saint John with the first cargo of eggs to Great Britain. A week before the ship's departure, Canadian shipmen shipped overseas, the first Canadian winter-produced eggs ever sent to Great Britain. Up till then only "storage eggs"

had been shipped, England receiving her fresh eggs from Continental countries. Canadian government officials stated this progressive step would boost the Canadian product above the standard of Australian eggs and bring them into competition with poultry supplies from Denmark, drawing better prices for Canadian farmers.

Each egg is individually stamped "Canada", unaltered eggs from Canadian Pacific Express delivery truck; the Beaverbrook sailing from Saint John with the first shipment and the sailing British boats would win distinction as being the first use of the Canadian fresh eggs "putting the finger on her package of 'freshest'." She said: "They're delicious; much better than the foreign imported eggs. With Canadian birds they form a wonderful meal!"

AN ILL CHOSEN NAME.

AN ILL CHOSEN NAME

Iceland and Greenland have their wires crossed. Iceland has the most fitting name that Greenland could have, and while Greenland may not be just appropriate to Iceland, it would be far more fitting than the name she now staggers under. It is a wonder that Iceland with its sturdy independence and its long and honorable history, does not change its name to some thing which at least would not give a stranger the shivers, and to something which is more like the actual country it describes.

JAMES JOHNSTON

"THE STORE OF QUALITY"

What Happened This Week?

Iva Warren was a Bassano visitor over the week-end.

Jimmie Heide was in from Countess on Thursday of this week.

Mr. Ted Siles has accepted the position in the post office.

Mrs. Clarke left Friday night for a month's visit at the coast.

Mr. and Mrs. Wm. McLaw were visitors to Calgary on Monday.

Mr. M. R. Milroy made a business trip to Calgary the first of the week.

Mrs. Harper is spending a few days at Calgary this week.

Mrs. Jack Summerbell was a Calgary visitor the first of the week.

Harvey Smith returned from Cardston Wednesday.

Ernie Gougoun underwent an operation for appendicitis last Friday.

Fred Thompson was down for the week-end.

Mr. Art Wiley was a visitor to Calgary on Sunday.

Mr. Fred Holmes of Calgary was a Bassano visitor on Monday.

Miss Grace Scheer was a visitor to Calgary over the week-end.

Mr. and Mrs. Bert Schen were visitors to Brooks on Saturday.

Mrs. A. P. Thompson left for Calgary Tuesday evening.

A baseball meeting will be held next Tuesday at 8 o'clock at Harvey Smith's office.

A tennis meeting will be held on Monday, April 4 at 8 p.m. at McLaw's office.

Mr. F. B. Gayford of Calgary was a Sunday visitor at the home of his parents Mr. and Mrs. Gayford.

Ralph Poole spent the week-end in Dickson. Mr. Poole left Bassano Wednesday on his way to the States.

Mrs. McKee and daughter, Peggy, returned from a visit in the Hat on Saturday.

A meeting of the Women's Institute will be held at the home of Mrs. T. Laguire on Tuesday, April 24th.

Mrs. Bequith of Carleton Place is a sister at the home of Mr. and Mrs. S. Gougoun.

Mrs. J. Edwards and Miss Helen Travis of Edmonton are visitors at the home of Mr. and Mrs. Geo. Morrison.

Mrs. W. S. Playfair and daughter Florence, were visitors to Calgary Friday night. Miss Winifred Playfair also visited the city on Saturday.

No folks! that rumor about the Hockey Dance being postponed is all wrong. There definitely will be a dance on Friday and the boys are expecting a big crowd.

As it happened by ill luck, the local column regarding visitors, entertainments,

parties leaving for holidays or short trips, bridge parties, teas, etc.

It. Burrows of Countess was a visitor in town on Thursday. Ralph reports that he lost 18 cattle in the recent blizzard.

Mr. L. Munroe of Lethbridge was a Bassano visitor on Thursday.

The most appropriate place for you to pay your subscription is at the office of the Bassano Recorder.

The Bassano girls held a meeting at the school last Friday and organized for the coming softball season. Some Countess girls will be included in the team this year, and it is hoped that this will make it strong enough to beat all comers. Last year the Girls football team won three-quarters of the games played. Bert Currie is manager, with A. Ostro and Bob Bacon as coaches.

Makepeace Crowfoot

(continued from page 1)

even sighting and looking whitely at the Hope Chest on display in town, we do not know, nor do we know or understand why Barney is taking a course domestic education. Anyway we will give him the benefit of the doubt and give him an opportunity to explain all the ins and outs of all this mystery.

The storm of Tuesday made it impossible for any mail deliveries over the rural route.

Fred Huijger reports the roof of their hen house blew off which resulted in many of their chickens getting frozen also losing some of their turkeys.

Joe King also reports the roof of a granary that was blown off with the wind. Barnes and all out buildings were blown full of snow also dwellings. Worst storm we can remember ever visiting the prairie.
